Fundraise for Us

**Help make a difference in the lives of
people living with disability.**

Have a positive impact in the lives of people living with disability.

If you are hosting an event at home, or in the community, consider supporting Community Living Australia as your beneficiary and make your event even more meaningful.

Fundraising Event Ideas

There are lots of different types of events and activities you can organise to help raise much needed funds for people living with disability in South Australia. Here are just a few ideas...

Dinner Parties

Workplace Casual Days

Birthday Celebrations

Corporate Golf Days

Movie Nights

Themed School Days

How do I raise money?

We recommend thinking about the type of event or activity you are organising and consider what the most appropriate or effective approach would be. For example:

- Donate some, or all, of the proceeds from your event
- Request sponsorship for activities such as running a marathon
- Offer guests the opportunity to make a tax deductible donation instead of giving you a gift.

You're not alone. We're here to help.

Download the Fundraising Toolkit from claut.com.au/fundraising or request a copy from one of our offices to support you in your fundraising endeavours.

If you have an idea or question regarding fundraising for Community Living Australia, please don't hesitate to contact us on **08 8536 5888** or info@claut.com.au.

We would be glad to help you, help us, help people with disability!

About Community Living Australia

Community Living Australia is a not-for-profit organisation that supports people with disability in South Australia, connecting them with their local communities and helping them live the life they want to live.

We strongly believe that in our lifetime we will contribute to creating an Australia where people with disability will have valued roles in the community, the opportunity to accomplish their goals and realise their dreams.

For more information on fundraising, please don't hesitate to get in touch!
